

MERCURE 5

MERCURE 5 in structured white

MERCURE 5 is a ceiling light with five spots, distributed on a rectangular base. This ceiling light is discreet and easy to install. He is essential to add more light to your interior. To increase its efficiency, there are GU10 bulbs on the market with very high power and dimmable.

MERCURE is a minimalist spotlight that closely surrounds the fitting and the lower part of the bulb. This spotlight is offered in a nice range of ten models, from one to six spots, distributed on round, square or rectangular bases. The success of this range is prodigious and is still going strong.

The base is embellished with a beautiful, robust and very decorative
