

KARY cyl

KARY in structured black with lampshade Tilia Starry Blue (fabric cat.5)

KARY cyl is a wall light with a round cylindrical lampshade and reading light to be placed near a bed. The arm has an E27 fitting with a ring to fix the lampshade.

The reading light consists of a flexible that ends with a LED spot that emits a warm and concentrated light. This wall light has two switches that control the lampshade and the reading light separately, so you can choose between soft and/of reading light.

This high-quality fixture is traditionally made of solid brass and is accentuated with beautiful finishes. For the lampshade, which will provide a warm atmosphere we offer you a choice of many shapes, fabrics and colors. This will allow you to integrate this elegant wall light into your decoration.
