GEMINI 6

GEMINI 6 in brushed nickel

GEMINI 6 is a suspension with six fixed downward facing spotlights
The distribution of spotlights across the suspension ensures even illumination of the surface of the desk, worktop or table
This luminaire is made entirely of brass by craftsmen who perfectly combine traditional and modern techniques. This high-quality product is enriched with remarkable finishes
The spotlights are equipped with GU10 bulbs and they are all hidden inside the spots
This luminaire works without a transformer and is dimmable by an external dimmer
The height of this suspension is adjustable and we offer three different lengths
