### TECHNICAL DATA

TOUYA is a lampshade that has a ring in the centre that "floats" around it (in a different colour). This "ring lampshade" is lined with an opaque material to prevent unpleasant shadows from the inside.

Under the category **SUSPENSIONS**, we offer you for this lampshade :  
- with **one E27 fitting**, a choice of 11 suspensions.

The lampshade and the diffuser can easily be placed after the suspension has been mounted
