ATHENA 1

ATHENA 1 in brushed bronze. Metal finish code: 29

ATHENA 1 is an imposing spotlight that surrounds a 111mm diameter bulb, placed on a rectangular base
This ceiling light is easy to install and very useful to add a lot of light to your interior thanks to the light power of the AR111 bulb. This bulb works with 12V current, which is supplied by a transformer, integrated in the base of the luminaire. There are AR111 bulbs on the market with considerable power
The originality of the **ATHENA** spotlight lies in its theatrical design, which gives his a young and contemporary look. This splendid spotlight is offered in a beautiful range of four models, with one to four spots, distributed on rectangular bases
Traditionally handcrafted by expert craftsmen in brass work, this luminaire is offered in a remarkable finish
