

DEIMOS SPOTLIGHT on rail

DEIMOS RAIL + SPOTLIGHTS on rail in brushed brass and in brushed bronze. Metal finishes codes: 25 & 29

DEIMOS SPOT on RAIL is a cylindrical spotlight, mounted on a universal adapter for 230V rail. This spotlight is admirable, he is elegant and has a nice presence. A must for adding more light to your home. To increase its efficiency, there are GU10 bulbs on the market with very high power and dimmable. **DEIMOS** is a large cylindrical spotlight that completely encloses the bulb. A decorative black ring is placed around and behind the bulb. He is mounted on a ball joint integrated in the cylinder of the spotlight. Traditionally handcrafted by expert brass craftsmen, this luminaire is available in a number of outstanding finishes.

We can supply rails, power supplies and accessories in a variety of colours.
