

AHMOSIS -SW

AHMOSIS -SW in brushed bronze without lampshade

With her double articulated arm, which allows the light dimmed by the lampshade to be brought closer together, **AHMOSIS** is certainly the most functional wall light to be installed in a bedroom next to a bed. For her lampshade, which will create a warm atmosphere and a beautiful luminosity, we propose you to choose between many materials and colors. This will allow you to better integrate this elegant and robuste wall light in your decoration.

This model is available with a push button switch, see **AHMOSIS +SW**
