

## AHMOSIS -SW o

With its double articulated arm, which allows the light dimmed by the lampshade to be brought closer together, AHMOSIS is certainly the most functional wall light to be installed in a bedroom next to a bed For its round conical lampshade, which will create a warm atmosphere and a beautiful luminosity, we offer you a choice of many materials and colors. This will allow you to better integrate this elegant and sturdy wall light in your decoration

This model is available with a push switch, see AHMOSIS +SW o
