

# AHMOSIS +SW

With its double articulated arm, which allows the light dimmed by the lampshade to be brought closer together, **AHMOSIS** is certainly the most functional wall light to be installed in a bedroom next to a bed For its lampshade, which will create a warm atmosphere and a beautiful luminosity, we propose you to choose between many materials and colors. This will allow you to better integrate this elegant and sturdy

This model exists without switch, see AHMOSIS -SW
